

## GREEK ORTHODOX METROPOLIS OF ATLANTA

March 30, 2010

To the Most Reverend Vicars, Reverend Priests,  
Parish Council Presidents and Parish Council Members  
in the Greek Orthodox Metropolis of Atlanta

My dear co-workers in Christ,

On behalf of our beloved Metropolitan and Shepherd, His Eminence Bishop Alexios, I would like to take this opportunity to remind you of our upcoming Presidents' Meeting scheduled for Saturday, April 24<sup>th</sup>, from 10:00 a.m. until 4:00 p.m. We encourage as many of our Parish Council Members and our Clergy as possible to attend this annual meeting at our Metropolis Annunciation Cathedral in Atlanta (Carlos Hall). Every parish of our Holy Metropolis is expected to send its President and Treasurer, or a Parish Council representative in their absence. The agenda is enclosed for your review. Also, the RSVP/Registration Form is included for you to mail or fax as soon as you have selected your representative(s). We need this form returned from every parish as soon as possible.

I encourage you and your leadership to attend. Those who attended this assembly in previous years have responded positively and learned a great deal about the efforts of our Holy Archdiocese, our Holy Metropolis, and their related ministries and efforts. Everyone's collective presence is essential for a spiritually productive and successful ecclesiastical life.

We look forward to seeing you on April 24<sup>th</sup> and appreciate your support and encouragement.

Faithfully yours,

Very Rev. Fr. George Tsahakis  
Chancellor
